

2025 IBS 1000 YARD NATIONAL CHAMPIONSHIPS
NW 1000 YARD BENCHREST ASSOCIATION INC.
DEEP CREEK, MONTANA
AUGUST 7 – 10, 2025

August 7 and 8, 2025 is a sight in day and August 11 is a rain day if necessary.

The deadline for pre-registration for the IBS 1000 Yard National Championships is July 9, 2025 per IBS Long Range rules (lines 534 – 539). Please mail this a minimum of one week prior to July 9, 2025 to ensure we get it. Please include the IBS Release of Liability form and be sure to fill it out properly as required. There is a mandatory late fee of \$10.00 assessed for all registrations received after 30 days before the National Championship. Should you be unable to attend after registering and paying fees, you will receive a refund of fees paid. Please circle the appropriate (Y's) on the pre-registration form if you are a Female, Junior or a Rookie. Please fill out the equipment list as the companies that make our equipment also sponsor events like this and it is good feedback for them and shows appreciation for their contributions.

If you have a disability, please let us know in advance.

Do not forget to bring your IBS Membership card as we are required to see your card. You can purchase an IBS membership when you arrive. This has been modified in the 2024 IBS Agenda Items pdf, and Results pdf. Links at bottom of this.

Check in for pre-registered competitors will be on Friday August 8, 2025 at Deep Creek. We will close check in 6:00pm. Thursday and Friday are sight in days and the range will be open all day. There will be limits on how long you can occupy a bench and that will be posted and enforced by the range officers. You will also be required to remove all of your equipment from the firing line, shed and immediate area when you are not shooting.

Be sure to get your hotel reservations as soon as possible as August is a busy time for tourism.

There will be three targets per class.

On Saturday we will shoot; Light Gun Target 1, followed by Light Gun Target 2, followed by Heavy Gun Target 1.

On Sunday we will shoot; Heavy Gun Target 2, followed by Heavy Gun Target 3, followed by Light Gun Target 3.

Bench and Relay rotation will be used.

Relay rotation will be determined by the number of relays and will move as close to 1/3th as possible, not to exceed 1/3th. Example 9 relays you would move from Target 1 relay 1 to Target 2 relay 4, then to Target 3 relay 7.

Bench rotation will work the same. We have 12 benches and bench 1 would move to bench 5 for the 2nd target and to bench 9 for the 3rd target.

Saturday and Sunday will start with a mandatory Safety Meeting at 7:30am. The first relay will start at 8:00am.

Awards will be at dinner on Saturday by raffle, you have to be present to win.

2 Gun award following competition on Sunday.

Be sure to provide your mobile email information as we will send out emails during the weekend relating to bench assignments, results and anything we need to let you know about.

IBS Rule Change

The course of fire for both Light Gun and Heavy Gun have changed and are explained in the 2024 Agenda Items pdf, and Voting Results pdf. Links below.
